

HOW DOES MY CHILD log reading minutes?

After initial setup has been completed, students use the following directions to log minutes on a daily or weekly basis:

1. Go to **scholastic.com/summer**.
2. Select **KIDS** **GO »** button and enter screen name and password. This takes you right to your personal home page to log minutes.
3. After logging your minutes, you should see a “Your minutes were successfully logged” message. For students ages eight and up, there is a choice to enter a sweepstakes – this option does require some additional information. To just log minutes, choose **NO**.

Use these directions if students do not sign up prior to the parent meeting and you wish to have parents enroll their children in the Scholastic Summer Reading Challenge.

Initial step-by-step setup:

1. Go to **scholastic.com/summer**. In the **KIDS** square, click on the “**Go Now**” button.
2. On the next web page, click on the “**Register Here**” button.
3. Create your personal **Screen Name** by choosing from the categories and click “**Continue.**”
4. Create a **password** that is easy to remember. (*Do not include any personal info in your password, such as your name, your address, or your email address.*)
5. Select a **security question** and provide an answer; click “**Continue.**”
6. Select **Country** and **State**; click “**Submit.**”
7. Get permission to link your child's reading minutes to your school by providing a parent email address. Click “**Submit.**”

Important note: Students can begin logging minutes immediately, however parents must complete approval process before minutes count toward the school's goal.

8. Print or write down your **screen name** and **password** so you have them the next time you sign in.
